

Kyolic + is an expertly formulated combination nutraceutical that harnesses the healing properties of two powerful herbal medicines: aged garlic extract and standardized grape seed extract. These traditional medicines work synergistically to support circulatory, gut, and immune system functions.

A robust library of scientific research supports the potential health benefits of aged garlic and grape seed extract, including, but not limited to: Protection against cardiovascular diseases; reduction of risk factors for atherosclerosis, heart attacks, and stroke; improved immune system response; and hormonal support.

RECOMMENDED FOR

- Optimizing cardiovascular function
- Managing blood pressure
- Cholesterol support
- Immune system fortification
- Sustaining an optimal gut microbiome
- Boosting periodontal health
- Estrogen balance

ABOUT THE FORMULA

- **Aged garlic (*Allium sativum*) extract powder** is a unique extract of aged garlic produced by aging organic garlic for 20 months at room temperature. Aged garlic has been used as a traditional medicine for thousands of years, and more recently, extracts have been developed to deliver aged garlic's potent health benefits without side effects that come with eating it, including halitosis and gastric distress. Aged garlic extract and its main components, S-allyl mercaptocysteine (SAMC, unique to aged garlic extract) and S-allyl cysteine (SAC), have shown promise in managing a variety of health conditions, in particular high cholesterol and blood pressure, vascular circulation, and plaque build-up in the arteries.
- **Grape (*Vitis vinifera*) seed extract (GSE)** is a concentrated extract created from collecting the antioxidant proanthocyanidins in dried or fresh grape seeds. A wide variety of clinical studies show that GSE may have various supportive effects, including preventing cardiovascular disease, lowering blood pressure, decreasing plaque in arteries, and maintaining healthy estrogen levels.

SUPPLEMENT FACTS

Serving Size: 3 caplets

Amount Per Serving

Aged garlic extract powder (bulb) TM 2,400 mg, Grape seed extract (MegaNatural-BP[®]) 300 mg.

Other ingredients: Microcrystalline cellulose, Organic Rice Extract Blend (Rice extract, rice hulls, gum arabic, sunflower oil), Croscarmellose Sodium, Hydroxypropyl cellulose, Silicon Dioxide, Organic Coating (maltodextrin, sunflower lecithin, palm oil, guar gum), Carnuba Wax.

WARNING: If pregnant or nursing, consult your healthcare practitioner before taking this product.

DISCLAIMER

The information provided is for educational purposes only and has not been reviewed by the U.S. Food and Drug Administration.

SUGGESTED USE

As a dietary supplement, take 1 caplet three times daily (morning, noon, night), or as directed by your healthcare practitioner.
